 **Georgian**

**ACCELERATE YOUR SUCCESS**  
GeorgianCollege.ca

## Why this program?

- NKBA-affiliated program with approved NKBA curriculum courses
- Opportunity to participate in international and provincial student competitions
- Learn NKBA kitchen and bath planning guidelines and access standards
- Remain current with new design trends, building codes, and safety and environmental regulations

## Why study at Georgian?

- Our grads get jobs! Georgian has one of the highest graduate employment rates among all Ontario colleges at 85.8%
- We're a recognized leader in student work experience
- 100% of our programs offer hands-on learning

## Admission requirements

**Applicants with a postsecondary diploma or degree in the list below will be admitted to the Kitchen and Bath Graduate Certificate Program without a portfolio review:**

- Interior design
- Interior decorating
- Architecture design and technology
- Construction engineering technology
- Structural engineering
- Environmental design

Applicants who do not meet the requirements above may be considered upon submission of a portfolio showing evidence of creative ability, manual drafting and computer aided drafting skills, and industry experience.

## Credential

Ontario College Graduate Certificate

## Pathways

Graduates may find employment with design studios offering kitchen and bath consultancy services, kitchen and bath specifiers and/or fabricators, building contractors and developers, in retail stores or warehouses that specialize in selling kitchen and bath products and finishes. Students with entrepreneurial skills may become freelance kitchen and bath designers or start their own business.

## Length of program

One year (two semesters)

## Course delivery

Full-time and part-time

**This program is offered through our GC Flex delivery mode, which gives you choice and flexibility based on your preferences, circumstances or schedule every week. Faculty will teach in-person in a classroom where students are invited to attend face-to-face, log in synchronously online, or engage with recorded lessons and other asynchronous learning materials throughout the week. The choice is yours.**
