

Civil Engineering Technician (CVET) Ontario College Diploma

PART-TIME

Frequently Asked Questions

Do I need to apply?

Part-time students must apply to this program through ontariocolleges.ca
Use the code CVEX. (This is the program code on OCAS.)

When can I start the program?

Intakes: September

How many courses do I take?

Full program details can be viewed on the [Program Outline](#).

Graduation requirements

21 Program Courses

2 Communications Courses

3 General Education Courses

1 Co-op Work Term

Do I have to do a Co-op Work Term as a part-time student?

Yes, Co-op Work Terms are part of the graduation requirements for all students.

If you are working full-time and are unable to complete a co-op, please connect with us to discuss your options.

Are courses delivered in the evening? Online?

Part-time students enrolled in the Civil Engineering Technician Diploma take courses along with the full-time students. There are no courses specifically scheduled in the evening. Courses are delivered on campus. The course schedules (day/time) usually becomes available 6 weeks prior to the semester start date.

There are two program courses with online equivalents and Communications and General Education courses are available online.

How do I know which courses to take? Where can I see course fees?

We have set a schedule up for you – review the [delivery schedule](#) posted on the program page:

Study Civil Engineering Technician part-time

Ontario College Diploma, Co-op

Learn to work with engineers and construction project managers to build roads, bridges, sewers, water mains and other infrastructure.

Please refer to the [Civil Engineering Technician program page](#) for all of the main details, including admissions requirements.

Civil Engineering Graphics	COMP 1056	
Civil Engineering Work Term 1 (occurs after Semester 2)	COOP 1028	
Civil/Construction Surveying 2	SURV 1003	
Construction Practices	CONS 1003	
Construction Practices and Design: Material Testing	CONS 1004	
Construction Practices and Design: Municipal and Provincial Codes and Standards	CONS 2003	

Each course listed links to course sections with fees:

Civil / Construction Surveying

SURV 1001

Course description

Students are introduced to plane surveying as related to the construction industry. Students obtain field skills in linear measurement and the operation of levels, transits, theodolites and total stations. Elevations, horizontal, vertical, and spiral curves are explored. This is a hands-on laboratory course that develops students' field note skills.

Credits
3

Course Hours
42

Students registering for credit courses for the first time must declare a program at the point of registration. Declaring a program does not necessarily mean students must complete a program, individual courses may be taken for skill improvement and upgrading.

For more information, please [contact Continuing Education](#)

Available Courses

Unless stated, the course fee does NOT include the textbook(s). Not all courses have required textbooks. See [registration sites](#) for courses that are not yet open.

PLEASE NOTE: course section details (like fees/start/end) only show while registration is open – if you are looking for fees and cannot see any section details, please use our screenshot above as your fee estimate.

How long will it take to complete the diploma?

This program will take 4 years or 11 semesters to complete as a part-time student if you are following the Delivery Schedule.

Can I transfer credits/use prior learning?

The Credit for Prior Learning centre assists with:

- Transferring courses completed at another accredited institution which may be eligible for transfer towards your education at Georgian.
- Prior Learning Assessment and Recognition (PLAR) – students can challenge course requirements based on relevant work or life skills and knowledge gained.

More information on the above options as well as the processes to apply for exemptions, visit the [Credit for Prior Learning webpage](#).

If you have taken courses at Georgian in the past and they qualify for this program, they will automatically apply to your credential. You will see these courses in MyPath.

Are part-time students eligible for OSAP?

Part-time students MAY be eligible – this is individual and based usually on number of courses you take per semester. For more information, visit our [Financial Aid page](#).
